

40 Day Prosperity Prayer Program

This is a program for realizing and demonstrating abundant prosperity in one's life and affairs. It takes 40 days for consciousness to realize truth at the conscious level of mind. A break during the 40-day period releases the energy built up around the idea. Therefore there must be a commitment to faithfully follow this program each and every day for 40-days – and if one day is missed, to start over again and continue until you go the full period with perfect continuity.

Here is the plan of action:

- Establish a specific date to start your program, such as the beginning of a particular week. Count out 40 days on your calendar and mark the completion date.
- On the first day of the program write the statement below in your prosperity prayer journal.

Truth Statement #1

"The Spirit of the Living Divine Presence within me is not only the giver of all good gifts, the supplier of all supply, but is the gift and the supply itself. The Divine Presence is the fulfillment which fills full my every desire. The Divine Presence ever dwelling within me is ready and willing at every moment to recreate or renew my body and mind and to manifest through me as anything I want.

Today, I begin to truly understand that money is not my supply. No person, place or thing is my supply. My consciousness of the presence and power of The Divine Spirit within me is my supply. Therefore, The Divine Presence can do no more for me than the Divine Presence can do through me, through my consciousness (what I think and feel and believe to be true), through my faith and through my vision of a greater good. So before I attempt to raise money, first I must raise my conscious awareness, understanding and knowledge of the all-providing activity of the Divine Presence within me as my supply."

After writing this statement, meditate on each idea in the statement with great thoughtfulness and feeling --- letting the power of the idea fill and raise your consciousness, for at list 10 minutes.

- Following the meditation period write down in your journal the thoughts that come to you.
- There are 10 statements of Truth, including the opening. Write out one statement each day in your prosperity prayer journal. Meditate on it with feeling and direct concentration for at list 10 minutes (set a timer so that you are not distracted watching the clock). Following your time in meditation write down in your journal the thoughts that come to

you. Be sure to do this daily. There are 10 statements of truth. This means you will go through the entire list 4 times during the 40-day period.

- After writing out your thoughts, make Three lists. Be sure to do this daily.
 - First, write a list of what you want to Eliminate, forgive and release from your consciousness and your affairs. Tear up, burn safely or in some way “Throw away” your eliminate list.
 - Next, write a list of what you want to Demonstrate. Write a new “What I want to Manifest” list, each day.
 - Finally, write a list of what you are Grateful for – including at least 6 things from your present day experience. (Perhaps you will want to keep a separate gratitude journal).
- Since you have already received an all-sufficiency of supply (all that God has is yours right now). You can prove this Truth to your deeper mind by sharing your time, talents and treasure, on a regular basis during the 40-days of the Prosperity Prayer Program. Giving is a spiritual practice that never fails to produce results because the Law is, give and you shall receive. Freely you receive so freely you give.

“And you should know the Truth and the Truth shall set you free.”

Truth Statement #2

“Have faith in your Divine Spirit. Verily I say unto you, whomsoever shall say unto this mountain – Be thou taken up and cast into the sea; and shall not doubt in his heart, but shall believe that what he says will come to pass; he will have it. Therefore I say unto you, all things whatsoever you pray and ask for, believe that you receive them and you shall have them.” (Mark 11:22-24)

Truth Statement #3

“Light! Light! Light! Let the prospering healing light of the Divine Spirit within me penetrate and banish all fear, anxiety and worry from my mind, heart and body. I clothe myself safely with the pure white light of the Divine spirit, into which nothing negative can enter and out of which only good can come.”

Truth Statement #4

“Large sums of money, big happy surprises and rich exciting ideas come to me now- under Grace, in perfect ways for my personal use and I use them wisely.”

Truth Statement #5

“Let me learn to think of dollars as I do of leaves and fruits on trees, as the natural and inevitable result of the law active within. There is truly no need to worry or be anxious when the tree appears to be bare as long as I am conscious of the Truth that the Law is even now operating within the tree to bring forth fruit after its own kind. The same Law active within the tree is active within me, so regardless of the appearance of “bare tree” in financial matters I let the Law do its perfect work in me.”

Truth Statement #6

“I lift up my thoughts and feelings to be aware, to understand and to know that the Divine Presence I Am is the source and substance of all my prosperity. I am conscious of the

constant activity of this Divine Presence of Infinite Prosperity. Therefore my consciousness is filled with the Light of Truth.”

Truth Statement #7

“God’s will for me is supreme good. God’s will for me include health, wealth and inner well-being. I am willing to do the good will of God – which is the open door to the fulfillment of all my dreams for greater good. God’s good will manifests in my life now.”

Truth Statement #8

“I am a radiating center of Divine Presence. Divine Presence fills my heart with harmony. Divine Presence fills my mind with kind, helpful thoughts. Divine Presence fills my lips with words of praise and cheer. Divine Presence fills my life to overflow with peace and prosperity. Whatever the need or problem, Divine Presence is the answer and I am a perfect expression of Divine Presence. Divine Presence now fulfills my every need.”

Truth Statement #9

“Strength, strength. I am one with the strength of the Divine Presence within. I let all burdens fall from my shoulders. I let all anxiety drop from my mind. I let all fear slip away from my heart. I let all outer affairs be released. I let every shackle be loosened. Divine Strength is making wise and true adjustments to every aspect of my life. I relax, rejoice and let it be.”

Truth Statement #10

“I have faith in the prospering power of the Divine Spirit as it works mightily in me now. I have faith that all things are working together for my good and I am working with them in the wisdom and power of Spirit. I have faith in the perfect outcome of every situation in my life, for Source is in absolute control. My faith makes me whole.”
